

**UNITED ELECTRIC CONTROLS / APPLIED SENSOR TECHNOLOGIES
/ UNITED ELECTRIC CONTROLS CO.***

Stocking Distributor
Pressure & Temperature Switches & Transmitters
Thermocouple & RTD Sensors
One Series Intelligent Switch
Transmitters: Pressure, Differential & Temperature Versions
SIL Rated Safety Transmitter - SIL-2-IEC-61508
**not represented in the Greater Southern Virginia area*

MAGNETROL / MAGNETROL INTERNATIONAL *

Level & Flow Measurement
Pulsar - Through Air Radar
Wave Guided Radar
Ultrasonic, RF, Visual, Gap, & High Accuracy Designs
Continuous & Point Level Float & Displacers
Thermal Gas Mass Flow Meter & Switches
**not represented in the Greater Southern Virginia area*

BADGER METER, INC.
Municipal Market
Magnetic Flow Meters
Water & Chemical Flowmeters

ORION INSTRUMENTS
Magnetic Level Indicators - With Integral Transmitters, Parallel Chamber Designs, Alarms & Float Diagnostics

PRECISION DIGITAL
Digital Panel & Field Indicators
Digital Totalizer
Loop-Powered Designs
Explosion-Proof & Nema 4 Designs

WYATT ENGINEERING
Formerly Badger Meter & Differential Producing Elements
Venturi, Flow Elements, Orifice, ASME & Invert With Flush Sensor Designs

EASTECH FLOW CONTROLS
Flowmeters For Open & Closed Channels
Ultrasonic Flowmeters & Portable Designs

CAMERON
Formerly ITT Barton, Prime Measurement Products, & Nufflo
Gas, Liquid & Steam Flow Meters
Transmitters & RTU's
Differential Switches & Indicators
Wireless Transmitters
Turbine Flow Meters
199 Chart Recorder
Liquid & Gas Turbine Meters
FCX Transmitters
Floco Plotrac
Scanner-Flow Computers

AMETEK
Rochester Instrument Systems *
Annunciators & Systems
Signal Conditioners & Alarms
Electrical Transducers
Precision Calibrators
Portable Power Quality Meters
Scientific Columbus
Power Measurement Instrumentation
Digital & Analog Transducers
Electronic Energy Meters
Electrical Calibration Standards
Flame Sensors & Sensor Assemblies
For GE Turbines & Power Units
Panalarm Annunciators
Annunciators & Systems
**not represented in the Greater Southern Virginia area*

OPW ENGINEERED SYSTEMS
Visi-Flo Sight Flow Indicators
Propeller, Bi-Directional Flapper or Plain & Drip Tube Design
NPT & Flanged Designs In Sizes 1/4" To 12"

IC CONTROLS
pH, D.O., ORP & Conductivity

Systems for Industry

SYSTEMS FOR INDUSTRY
Self-Averaging
Pitot Tubes
Liquid, Gas, & Steam

WIKA
Stocking Distributor
Pressure Gauges & Chemical Seals
Bimetal Thermometers & Thermowells
